

Sir or Madam,

Every year, hundreds of boys and girls play in community and softball leagues at Milford's New Finley Ray Park. The park is a gathering place for the community as well as a venue for young athletes to learn about team spirit and leadership.

Our aim is to improve this valuable community resource by building covers over the team benches, making the ball playing experience safer and more fun for the children who play here. To this end, we are seeking sponsorships from the community.

Your organization's sponsorship, consisting of a one-time donation of \$750, will be recognized in a variety of ways, including:

- A 3-by-6 foot banner along New Finley Ray Drive, to be displayed for three years
- A plaque on one of the bench covers, to be displayed for three years
- A Promotion on the MYBA website, with a link to your organization's site if desired

We hope that we can count on your help to make the park as safe and enjoyable as possible for our children!

Please feel free to contact me at 575-4223 or at vb Bowman@fuse.net with any questions about this sponsorship program or with other sponsorship ideas you may have.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bob Bowman', is placed above the typed name.

Bob Bowman

Milford Youth Baseball Association
